

Lunch and Learn Series!

Please RSVP by October, 27 2009:
Tia Conley, Clinical Community Liaison
258-7575 or tia.conley@uhsinc.com

PRESENTATION:

“Childhood Prostitution: what providers need to know”

Presenter: Jolene Goeden, M.A., Forensic Psychology – Special Agent, FBI

Presenter: Sgt. Kathy Lacey, Anchorage Police Department, Vice Unit

Objectives:

1. Participants will gain knowledge of the pimp/prostitute life style and ability to recognize warning signs
2. Participants will gain understanding of the medical and mental health issues facing the child and adult victims of sex trafficking.
3. Participants will get local case examples of sex trafficking of children and adults.
4. Participants will gain understanding of the need for law enforcement and social service/mental health/medical providers to work together, and get examples of successful working relationships and suggestions for overcoming obstacles.

Date: October 28, 2009
